This discussion guide and toolkit provides ideas and approaches to enable you to think through your research partnerships; to encourage you to critically engage with issues such as the roles different actors play in partnership; and what types of evidence are valued, used and produced.

Rethinking research partnerships: discussion guide and ...
Level 5 Leadership Which is harder to cultivate within yourself: humility or will? If Level 5 is about ambition first and foremost about the cause, the company, the work—not yourself—combined with the will to make good on that ambition, then how can each of us as individuals learn to take actions consistent with being Level 5?
