The History of England from the Accession of James the Second (1848) is the full title of the five-volume work by Lord Macaulay (1800–1859) more generally known as The History of England. It covers the 17-year period from 1685 to 1702, encompassing the reign of James II, the Glorious Revolution, the coregency of William III and Mary II, and up to William III's death.

The History of England from the Accession of James the Second was a notable book series on the history of the United Kingdom. Published by Oxford University Press, it was originally intended to span from Roman Britain to the outbreak of the First World War in fourteen volumes written by eminent historians. Its series editor, Sir George Clark, contributed the first volume which appeared in 1934.

In the wave of Viking attacks in England after 851, only one kingdom—Wessex—was able to successfully resist. Viking armies (mostly Danish) conquered East Anglia and Northumberland and ...
Tudor England Contents. The Tudor period was one the most exciting in British history. The Tudors were a Welsh-English family that ruled England and Wales from 1485 to 1603, starting with the first monarch King Henry VII (1457–1509).

[The following material comes from Readings in European History Since 1814, edited by Jonathan F. Scott and Alexander Baltzly (Appleton-Century-Crofts, 1930.) The headnotes preceding each sections are by Scott and Baltzly.] “In 1832 Michael Sadler secured a Parliamentary investigation of conditions in the textile factories and he sat as chairman on the committee.

Life of Nineteenth-Century Workers — Evidence Given Before ...

Roman Origins. It is said that Julius Caesar brought the vine to England. Nice though that story is, some scholars think it apocryphal - wine was certainly brought to Britain by the Romans, but it is less certain whether the vine was grown here, or if it was, whether it was in sufficient quantity to satisfy the local requirement for wine or just as an ornament to remind Romans of home and ...}

The Dark Ages. That's one of the terms used to describe nearly 1000 years of history—a history that is often hard to understand due to a lack of surviving documents, and often is clouded by myth and legends.

Medieval European History

MARY IN HENRY VIII'S REIGN. Mary Tudor was the only child born to Henry VIII and Catherine of Aragon to survive childhood. Had she been born a boy, it is likely that the whole of English history would have been different (but probably less interesting!).
