The Spirit Level Why More Equal Societies Almost Always Do Better
Richard G Wilkinson by E. P. Dutton

The Spirit Level Why More

The Spirit Level (book) - Wikipedia
The Spirit Level is a very analytical approach to the topic of income inequality that is presented in an understandable format. The first couple chapters set the scene in describing the difference between wealth and inequality and how our success in getting things may actually be setting up cultural failure.

Review: The Spirit Level: Why More Equal Societies Almost Always Do Better by Richard Wilkinson and Kate PickettA hard-hitting study of the social effects of inequality has profound implications ...

Review: The Spirit Level by Richard Wilkinson and Kate ...
The Spirit Level authors: why society is more unequal than ever. A growing body of research shows that inequality damages the social
fabric of the whole society. When he found how far up the income scale
the health effects of inequality went, Harvard professor Ichiro
Kawachi, one of the foremost researchers in this field,

Richard Wilkinson and Kate Pickett's The Spirit Level: Why Equality is
Better for Everyone is the most influential and talked-about book on
society in the last decade - now updated with a new chapter on the
controversy the book has ignited.. Why do we mistrust people more in
the UK than in Japan? Why do Americans have higher rates of teenage
pregnancy than the French?

‘Might be the most important book of the year.’. Guardian (UK)
‘Fascinating and deeply provoking . . . The Spirit Level does contain
a powerful political message. It is impossible to read it and not to
be impressed by how often greater equality appears to be the answer,
whatever happens to be the question.

The Spirit Level: Why More Equal Societies Almost Always Do Better by Richard Wilkinson and Kate Pickett Allen Lane, 331 pp, £20.00, March 2009, ISBN 978 1 84614 039 6 The argument of this fascinating and deeply provoking book is easy to summarise: among rich countries, the more unequal ones do worse according to almost every quality of life ...

David Runciman reviews ‘The Spirit Level’ by Richard ... The Spirit Level does not simply provide a diagnosis of our ills, but provides invaluable instruction in shifting the balance from self-interested consumerism to a friendlier, more collaborative society. It shows a way out of the social and environmental problems which beset us, and opens up a major new approach to improving the real quality of ...

The Spirit Level: Why Greater Equality Makes Societies ... The Spirit Level goes to the heart of the apparent contradiction between the material success and social failings of many modern societies, but it does not simply provide a key to diagnosing our ills.
