The following paragraph relies on weak evidence: Needs Improvement:
Small scale business leaders drive economic growth; however, these
business practitioners face many challenges. Small businesses are more
likely to fail than they are to survive. There are no sources cited in
this paragraph.

sustainable solutions.. The implications of this change in the
companies' role is that “new ideas on business”, and not only “new
business ideas”, are needed. The paper articulates the above
statement, outlines the related design problems and, in particular,
discusses what it means to conceive, produce and deliver sustainable
solutions.
